1.0 eBrokerPlus Pricing Guide

eBrokerPlus is designed to cater for brokerages with their OWN group scheme product. In addition, it can also handle normal, third party policies such as Assupol, Sanlam, Old Mutual etc. You pay for eBrokerPlus on a monthly basis, month to month, no long term contracts that unfairly tie you to the product. The monthly fee covers support and maintenance plus all the hosting charges. You do not need to buy a server to install eBrokerPlus, no license fee to pay, all charges are included in the monthly subscription fee. The only thing that your brokerage requires is an Internet connection. The following table shows the current pricing guide for eBrokerPlus.

2.0 Important Notes on Payments:

- There is NO monthly payment for the month you join.
- Monthly payments are due STRICTLY on the 1st of the month. This is important because we have to pay the hosting company on time to avoid service disruptions.
- If you pay annually i.e. on 1st January, you get a 10% discount.
- If you pay half-yearly (1 Jan for the first 6 months, 1 July for the other 6 months) then you get a 5% discount on the monthly payments.
